

Remarks

Applicants submit this Sixth Supplemental Preliminary Amendment in response to the outstanding Notification of Abandonment (mailed April 23, 2007). Applicants are also submitting herewith a corrected Substitute Sequence Listing via EFS-Web. The corrected Substitute Sequence Listing is being submitted to correct the errors identified in the "Raw Sequence Listing Error Report" (processed by STIC on March 16, 2007). Applicants are also submitting herewith "Statements in Accordance with 37 C.F.R. § 1.825," and assert that no new matter is being added by way of the corrected Substitute Sequence Listing.

In view of all of the foregoing, applicants respectfully submit that this case is complete and ready for examination by the U.S. Patent and Trademark Office ("USPTO"), and such examination is earnestly solicited. However, if the USPTO detects any additional errors in the corrected Substitute Sequence Listing, applicants respectfully request that the corresponding STIC error report be forwarded to applicants along with any further notifications of defective response.

Respectfully submitted,

Date: September 7, 2007
